

**\*This document was created to demonstrate to new venues or members how the last season was run and includes all the rules, playoff structure, awards, fees, the I.C.D.L. Constitution, as well as other information. For any additional questions, please contact us on our site. Thank you!**

# **INTER-CITY**

# **DART LEAGUE**

The Inter-City Dart League is North America's oldest continuous running league, established in 1946 by WW2 veteran Richard Walker upon returning to Toronto, Ontario, Canada after the war.

The League offers competition for the novice player to the more advanced and skilled players and everyone is welcome to join. A non-profit organization, our league begins to play in mid-September and continues throughout the winter months on Thursday nights. We also encourage friendly competition that respects the League's rules and that also demonstrates the best of sportsmanship.

Our format consists of two games of triples (three-person team playing 701; straight-in, double out), three games of doubles 601 (two-person team; straight-in, double out), followed by three games of doubles cricket, and the night finishes with six singles matches of 501 (straight-in, double out). We have annual member-only tournaments such as The Intercity Open Shoot (singles & doubles), The Ladies Only Shoot (singles & doubles), The Intercity Teams Shoot, and The All-Star Shoot (the top 16 players with the highest individual scores in the league). We also host tournaments open to all dart players regardless if they are Inter-City Dart League members. These open tournaments both promote darts as a sport and give back to our community through donations to worthwhile charitable causes and organizations.

Our season concludes with a banquet for all league members. During this time of celebration and member comradery, awards will be presented with the much-cherished Walker Cup being bestowed to the Champions.

## Players

1. Anyone 19 or older may play in I.C.D.L except for those not in good standing due to prior review that led to a suspension or ban from the league.
2. Teams will be permitted to carry up to nine players plus a captain.
3. Players may play for only one I.C.D.L. team each season unless a move to another team is approved by the Executive Board for reasonable circumstances.
4. Player rosters and player changes are subject to review and approval by the Executive Board. Final rosters must be submitted by the December executive council meeting. After the cut-off date, any player change request may also be reviewed by the I.C.D.L. captains, with the general limitation that any team with at least seven players will not be allowed to add or change players.
5. Captains must submit a registration form with either their players' home address or email to guarantee correspondence with any member if necessary.

## Match Procedures

1. All League matches will consist of 14 sets (best out of three legs, with the winner winning two legs to win a set). A match will consist of (in this order):
  - Team 701 (three players per set; two sets)
  - Doubles 601 (two players per set; three sets)
  - Doubles Cricket (two players per set; three sets)
  - Singles 501 (one player per set; six sets)
2. To start the game, both teams must throw at the Bull to see who goes first (refer to the **Diddling** section; pg.3)
3. Darts must be thrown with both feet behind the oche.
4. In Cricket, the game is won by the first team to close all numbers and bullseye(s) with a score equal to or greater than the opposing team.
5. All "01" game formats will begin with a "straight-in" start and must finish on a double. Any dart thrown by a player after scoring the required double will not be counted as the game has concluded when the required double was scored.
6. A minimum of 6 different players must be used in each Game format. If a team has less than six players, refer to the **Shorthanded Play** section (pg.5).

7. Whenever possible the schedule shall be so arranged that teams will play alternately at home and away.

### **Diddling**

1. Each leg will begin with one player from each team going for the bull. The home team player will throw for the bull first, followed by the away team player. The home team will always Diddle first for every leg to determine which team shoots first.
2. The team that throws closest to the bull will start the leg.
3. In situations where the darts look as if they may be the same distance away from the bull (or it's too close to call) in which both of the shooting players cannot decide who won the Diddle, only the Chalker can make the decision on which dart is closest. If the Chalker themselves deem it too close to call, they can ask for a reshoot.
4. The Chalker's ruling is final and verbal abuse will not be tolerated by the League. If there is a disagreement, the Chalker's ruling shall stand, and the dispute may be reported to the League. Captains of any Chalker who have been reported two or more times will be issued a warning to assure fairness and consistency moving forward.
5. When the Chalker is in the position to decide who is closest because both players cannot agree on who won, no dart may be touched or moved by anyone. If a player touches or moves the darts, that team will lose the diddle.
6. For a reshoot, darts must remain on the board (except when a double bull is hit; refer to the ***Diddling*** section; pg.3, *rule 10*) with the player who threw the last dart in the tie going first. If the second set of darts thrown is deemed a tie, the player who threw the last dart in the second tie will throw the first for the second reshoot at the bull. If all three sets of darts are deemed a tie, all darts are pulled from the board and the last player who threw a dart in the tie will throw first; the process will begin again with the players always alternating for who throws first in a reshoot.
7. A dart anywhere in the board will count as a Diddle.
8. If both players' darts end up in the outer bull (single bull), it is considered a tie regardless of how much closer one dart is to the inner bull (double bull) and both players must throw again.
9. A dart that is not touching the board (i.e., bounces out, misses the board, or sticks into another dart) does not count and another dart may be thrown. If all three darts from a player miss the board, the other player wins the Diddle.
10. If the first player throws a center bull (double bull), the second player may ask the dart to be removed before their attempt. If the second player throws a center bull, the dart(s) shall be removed and both players will reshoot for the bull.

### **Start Time and Lineups**

1. Matches begin at 7:30 p.m. A 15-minute start time grace period will be awarded for bad weather days only (at the discretion of the Executive Board).
2. Players' match-up will be done by blind draw. The visiting teams will submit their lineups to the home team captains after the home team captains have set up their own lineups.
3. Both Captains must complete their lineups for the game format they are starting (Team 701, Doubles 601, Doubles Cricket, or Singles 501) with the understanding that the next available game will be played, even if out of sequence.

4. Players who are not present may be written into the lineup; however, if they are not present at the time when it is their turn to play, they must:
  - a) Be replaced at that time with a team member who is available and eligible to play;
  - Or
  - b) Be replaced with a Dummy provided it is the last set in the game format being played.
5. If a player arrives in the middle of a leg where a Dummy is being used, they are not allowed to replace the Dummy in that leg. If another leg is needed in the set, the new player is eligible to play as long as they are present for the start of the new leg.
6. When a player's name is written on the board, the time may be noted (and both captains notified). The player then has five minutes to present at the oche and begin the game. If a player does not show up within five minutes, that player forfeits one leg. After the first leg is forfeited, and five more minutes pass without the players presenting themselves at the oche ready to play, the match is forfeited. If both players forfeit a leg, the final third leg will be played to decide the set.

### Scoresheets

1. On completion of a set, the scoresheets will be updated to show the winner and any All-Star scores (refer to the **Individual Scoring** section; pg.7).
2. To receive credit for wins, All-Stars, and games played, players must be present for the match. If absent players are written on scoresheets to accumulate games towards their playoff qualification requirements, it should be reported to the Executive Board.
3. Only in the second Team 701 set, can a player who is present for a set that their team forfeited be awarded a game played toward their playoff qualification requirements (Refer to the **Shorthanded Play** section; pg.5, rule 5)
4. Each match will be worth one point for a total not to exceed 14 points per night.
5. Both captains are responsible for keeping their scoresheet during the match and recording each set's results and individual All-Stars. Each captain will sign both scoresheets at the end of the match (refer to the **Scoresheet Marking Example** section on how to fill out the scoresheet; pg.8).
6. It is the responsibility of the team captains to submit the scoresheets to the Statistician as early as possible. Both captains will retain a copy of the scoresheet in case of a disagreement with the entered results.

### Chalking

1. The marking of the games shall be shared equally by both teams. The home team will mark the first set and the away team will mark the second set (and so on). The board on which a team marks first will be the assigned board for that team and they will chalk all games on that board throughout the match.
2. Captains will make sure that players are available to mark games. Delays of games should be reported to the Executive Board and individuals and captains will be contacted to correct this situation.
3. A Chalker shall restrict their movements and remain silent when players are throwing.
4. A Chalker may tell a player what they have scored or what they have left if asked by the throwing player, but the Chalker cannot provide an out or coach. No indication of the required

double or combination shot required to finish shall be given by the Chalker (i.e., if 32 is required, the Chalker cannot tell them to shoot at the double 16). Regardless of what score the Chalker provides to a player, it is still the responsibility of the player to confirm the Chalker's accuracy.

5. All scores, subtractions, and additions made should be checked for accuracy by the player and by the Chalker after each throw. Darts should not be removed from the board until both the player and the marker confirm the score. If a player pulls their darts before agreeing on the score with the Chalker, the Chalker's score stands (unless both teams agree on what was scored).
6. It is the captain's responsibility to make sure that any of their players who consistently pull their darts from the board and disagree with the Chalker are told to leave their darts on the board until an accurate score is marked. Should this be an ongoing issue, it should be reported to the Executive Board.
7. Only darts with points touching the board will be counted. Any darts that fall off the board will not count if the player and the Chalker have not agreed on the score; however, the player may secure the dart to prevent it from falling out while the score is being agreed upon.
8. Errors in subtractions may be corrected before the finish of the leg provided the original error remains on the board for review.
9. Dummy score for the Team 701 and the Doubles 601 stops after 100 points for the team with the Dummy. The Dummy will then be replaced with a loss of turn.
10. If any discrepancies are noticed in the score marked on a board, active play should not be interrupted until a player has thrown their three darts. The only exception to this rule is when a player has the possibility of finishing an out (i.e., they are attempting to finish a 60 when the score is an 80).
11. It is considered unsportsmanlike to throw a dart after finishing, busting, or in anger.

### **Coaching**

1. A player may request assistance from the captain or another member of their team, provided they step back from the oche before asking. Players should refrain from calling out the shot. Players should try to throw their darts within a reasonable time.
2. To avoid confusion, only one team member should coach a player. There is to be no shouting out of outs while players are in active play.
3. A Chalker is impartial and cannot act as a coach regardless of what team they are on.

### **Shorthanded Play**

1. No player may play more than four sets in a nightly I.C.D.L. match.
2. In a match, a player may only play once in any game format (Team 701, Doubles 601, Doubles Cricket, Singles 501).
3. A Dummy score of 25 points is allowed in the Triples 701 and doubles 601 only but it must be in the last set of that specific format game. The Dummy score stops when the score reaches 100 or less. The Dummy will then be replaced with a loss of turn.
4. Dummy matches are allowed in Cricket with the Dummy simply missing a turn. There is no scoring for the Dummy turn in Cricket.
5. If a team only has four players at the start time, the team must play the first set of the Team 701 with three players and forfeit the second set. The fourth player who sits out for the forfeited

second Team 701 set will be awarded a game played towards their accumulated games for playoff qualification requirements for being present, but unlike full match forfeits where the present players from the winning team will receive the full match points and individual game points on the scoresheet, it will be considered a loss.

6. Present players' names who are unable to play due to the opposing team having to forfeit will be written on the scoresheet and will receive the set points and individual game points.
7. Any team showing up with only one player will forfeit. The opposing team will receive the full match points as listed on the scoresheet. The scoresheet must be filled out by the captain and submitted to the Statistician.
8. A team can play with a minimum of two players (1 Team Game, 1 Doubles 601, 1 Doubles Cricket, and 2 Singles)
9. No Spares or recycling of players is allowed.
10. If additional players from the shorthanded team arrive after play begins, or if players must leave before the end of the match, the shorthanded procedure will be adjusted to reflect the number of players who are present at that point in the match. Sets that have already been forfeited may not be replayed.
11. An absent player's name may not be added to the scoresheet in place of the Dummy to accumulate games for playoff qualification requirements. If this occurs, it must be reported to the Executive Board.

## Forfeits

1. If a team has less than one player present at 7:30 PM the match is forfeited (A 15-minute start time grace period will be awarded for bad weather days only at the discretion of the Executive Board).
2. A match that is forfeited will result in a 14-0 win for the opposing team. The winning team's captain may only add the names of the players present to the scoresheet.
3. A player on a forfeiting team who was present for the match will be awarded four played games for their attendance toward playoff qualifications requirements, but unlike the winning team's players who will receive the full match points on the scoresheet, their games will be considered losses.
4. Any team that forfeits three matches or more will be suspended at the discretion of the Executive Board.

## Individual Scoring

1. Cricket All-Stars – 3 triples, a combination of all three darts hitting triples or double bulls, or 5 bulls (all triples and bulls must score; hitting a triple when only a double can be scored does not qualify as an All-Star point)
2. Individual points for set wins are as follows:
  - a) 1 point for a Team 701 set win.
  - b) 2 points for a Doubles 601 set win.
  - c) 2 points for Double Cricket set win.
  - d) 3 points for Singles 501 set win.
3. Individual All-Star points consist of:
  - a) In any "01" game format leg: A score of 130 through 169 = one individual point
  - b) In any "01" game format leg: A score of 170 or more = two individual points
  - c) In any "01" game format leg: A finish of 101 or more = two individual points
  - d) In Cricket: A turn consisting of three counting triples, a combination of all counting triples or double bulls, or five bulls if needed - two individual points
  - e) Note: All-Stars that count as more than one type should score as both. A 170 double-out is worth four All-Stars for example (two points for the 170 scored and two points for the 101 plus finish); whereas a 130 double-out is worth three All-Stars (one point for the 130 scored and two points for the 101 plus finish).
  - f) The score for a high finish (101 and above) should be recorded on the scoresheet.
  - g) Although a 180 score is recorded separately on the scoresheet, the player still only gets two individual points.
  - h) At the end of the regular season, The President's Trophy will be awarded to the player with the highest average (total individual points divided by the total amount of games played). A player must have a minimum of 70 games to qualify for the award.
  - i) The top 16 players with the highest Individual Scoring Points are eligible to play in the All-Star Tournament. In the case of a tie for the final entry spot, it will be decided by:
    - The player with the most 501 Singles wins (if tied, see below)
    - The player with the most combined 601 and Cricket Doubles wins (if tied, see below)
    - The player with the most 701 Triples wins

## Playoffs

1. Playoffs will be held at the end of the regular season with the final team standings determining the playoff structure. The top four teams finishing in the regular season will play in The Walker Cup Bracket. The bottom four teams will play in The Conium Trophy Bracket.
2. If teams are tied in the final regular season standings, the higher seed will be determined by the highest amount of:
  - Single sets won (if tied, see below)
  - Double sets won (if tied, see below)
  - Team set won (if tied, see below)
  - Total Individual All-Star points
3. A player must play a minimum of 45 games to be eligible to play in the playoffs (this includes Life-members). Exceptions may be made for reasonable circumstances at the discretion of the Executive Board.
4. The first playoff round (the Semi-Finals) will consist of a two-week home-and-home series with the first team to win 15 sets advancing to the finals. The team with the highest ranking during the regular season will host the match at their venue during the first week of the playoff round, with the other team's venue hosting the second half of the playoff round in the second week.
5. The only exception to the above rule is if more than two teams who play out of the same venue win home advantage for the first week of a playoff round. If this occurs, the two teams from the venue who were seeded higher at the end of the regular season will play at home with the other team(s) having to play away.
6. If both teams are tied at 14 sets apiece after both weeks are played, four players will be selected from each team to play a Team 1001 leg (not a set; straight-in and double-out format) to establish a winner.
7. Unlike the regular season, playoff sets must be played in sequence as listed on the scoresheets with the first team to reach their needed sets winning the match (no other sets need to be played after winning their playoff round)
8. The second playoff round (the Finals) shall be played in one day (and one venue) with the first team to win eight sets winning the Championship or awards. If there is a tie at seven sets apiece, four players will be selected from each team to play a Team 1001 leg (not a set; straight-in and double-out format) to establish a winner.
9. Both team captains will submit the scoresheets to the Statistician to confirm the results. Both captains will retain a copy of the scoresheet in case of any disagreements.
10. The Executive Board will determine the playoff format for each season depending on how many teams are in a division (whether it is an even or odd number of teams, the number of divisions, etc.), and the **Playoffs** section (pg.9) will be updated for transparency purposes. Playoff formats will be determined at the commencement of the regular season and may change if teams drop out or are added.

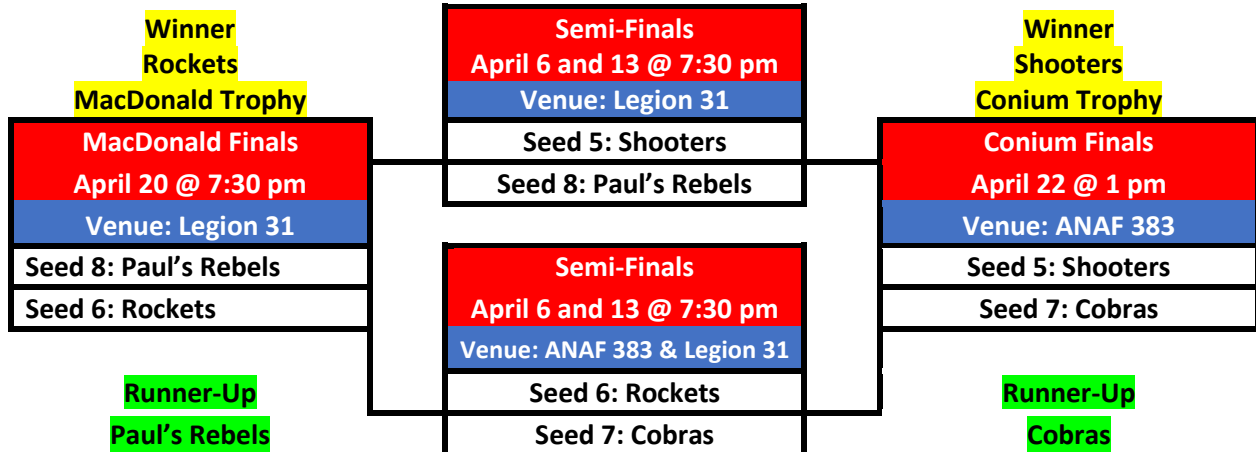

# Inter-City Darts League Playoffs (2023)

## The Walker Cup Bracket (Top Four Teams)

\*In the event of a tie of 14 sets to 14 sets in any semi-finals or 7 sets to 7 sets in any finals, one leg of 1001 will be played by four players from each team to determine the winner.

## The Conium Bracket (Bottom Four Teams)

\*In the event of a tie of 14 sets to 14 sets in any semi-finals or 7 sets to 7 sets in any finals, one leg of 1001 will be played by four players from each team to determine the winner.

## Disciplines

1. Captains (or acting captains for a match) must work together in resolving any issues during match play. Although the I.C.D.L. sets rules about time and chalking to maintain a steady flow throughout the match, captains may show leniency on the time restraints and allow one team to mark two boards (i.e., if one team is shorthanded) if agreed upon; however, this is an allowable exception and not a rule and therefore not mandatory. Apart from these two exceptions, captains must follow all other rules.
2. Any other situations that may arise that are not specifically covered by the ***I.C.D.L Rules of Play*** or the ***Inter-City Dart League Constitution*** (pg.15) may be brought up for resolution at the next captain's meeting. Captains' meetings will be held each month during the season.
3. The Executive Board cannot override any venue's right to refuse entry to certain players who have, for whatever reason, been banned from the venue. If this happens during the regular season, the captain must report it to the Executive Board for them to investigate the incident as all members are a direct representation of the league.
4. Any team whose venue closes during the season must play out of a venue already approved by the Executive Board for that season and must confirm the new location with the Executive Board so as not to cause any scheduling conflicts.
5. Players will act civilly and respectfully with their opponents in the clubs within the League. Visiting teams and players are guests of the clubs (and venues) and are subject to the club's (and venue's) authority.
6. Fighting or any form of physical aggression will not be tolerated by I.C.D.L. and it will lead to an automatic suspension and may also lead to expulsion from the League. Any possible review will be done at the Executive Board's discretion and time.
7. Cheating will not be tolerated. Discrepancies in score sheets will result in a first-time warning and loss of individual points for the offending captains for that night. A second offense will result in suspension. Penalties for manipulating the scoresheet also include:
  - a) Captains (or acting captains for a match) who are found to purposely manipulate the scoresheet to show games played for an absent player (or a player playing under another teammate's name) will be penalized. All sets played under the names of players who did not play will be forfeited (if won by another player) and the game will be subtracted from the player whose name was used to show the accurate number of games played.
  - b) Both captains (or acting captains for a match) and players who are found to purposely manipulate the scoresheet to give extra All-Stars to a player(s) will be penalized. All All-Stars for the match that a player is purposely caught claiming extra All-Stars will not be recorded regardless if some were legitimate. A player who is caught more than once claiming extra All-Stars may be removed from eligibility for the President's Cup to ensure its integrity.
8. No player shall make offensive comments about race, ethnicity, age, gender, religion, sexual orientation, gender identity, gender expression, disability, or economic status. The Executive

Board will investigate and issue appropriate disciplinary action to any player (or players) found to intentionally bully or disparage anyone regardless of membership to the I.C.D.L.

9. Throwing a dart in anger will not be tolerated as it can unintentionally injure the Chalker. It is the captain's responsibility to warn any players who break this rule. If a player (or players) continues to break this rule repeatedly, the Executive Board may suspend or expel any player.
10. Any player who uses abusive language or behaves in a threatening manner towards another member during league play will be immediately suspended for the match and their actions will be reviewed by the Executive Board.
11. The Executive Board has the right to suspend or expel any player or team whose behaviour is destructive to the league or that brings the I.C.D.L. into disrepute.

### **Fees**

1. The player fees are \$50. The venue fee is \$85 for one team, \$75 for two teams (per team), and \$70 for more than two teams (per team); at least 50% of which must be paid at the time of registration. The balance must be paid in full by the December Executive Council meeting. Any player who has not paid in full by this date will not be permitted to play. It will be the responsibility of the team captains to collect this fee from each player and their club and submit it to the League Treasurer.
2. There will be a \$35.00 fee charged to the issuer of an NSF check. Preferred payment made by cash, certified check, or, money order

### **Banquet**

\*Refer to the *Inter-City Dart League Constitution* section for the Executive Board Officers' **DUTIES** (pg.16) and responsibilities.

### Match Play Equipment

1. The center of the bullseye must be set to 5 feet and 8 inches or 173 centimeters (1.73m) from the floor. The front of the oche must be 7 feet and 9.25 inches or 237 centimeters (2.37m) from the face of the board (account for the depth of the board when measuring horizontally from the wall). The diagonal distance from the center of the center bull to the front of the oche must be 9 feet and 7.375 (7 and three-eighths) inches or 293 centimeters (2.93m). Please refer to the diagram below).
2. All venues must be approved by the Executive Board to ensure that all dartboards used for league play are in good repair, suitable lighting is provided, and that either chalkboards or whiteboards are available; chalk or markers will be provided by the venue for scoring.
3. Where there is a dispute regarding any of the above, the match will be played using the existing lines and boards and any issues will be reported to the Executive Board.

# Inter - City Dart League Constitution

(Amended April 22, 2023)

This League shall be known as the *INTER-CITY DART LEAGUE*, hereinafter referred to as the League.

## 1. AIMS AND OBJECTIVES

The aims, objectives, principal purposes, and policies of the League shall be as follows:

- a) Non-political and non-sectarian - The League shall be democratic, and non-sectarian and shall not be affiliated or connected directly or indirectly with any political party or partisan organization.
- b) Loyalty - The League shall stand for loyalty to the reigning sovereign, Canada, and the Commonwealth of Nations for maintenance of the founding principles of the Commonwealth Constitution, for the development of a National spirit, and for ordered government in Canada.
- c) Friendship and mutual assistance - The League shall foster a spirit of fellowship and mutual assistance among those participating in its activities. The League shall endeavor to promote and foster interest in the game of darts. In addition, assist other organizations wishing to play darts.
- d) The League shall provide suitable trophies and prizes to honor those sections and individuals as designated.
- e) Co-operation - The League shall cooperate with all leagues and associations with similar aims and objectives.
- f) The League shall engage in such other lawful activities as are incidental or conducive to the attainment of the objectives above.

## 2. MEMBERSHIP

- a) **ACTIVE MEMBER:** Any person of good character shall be eligible for active membership to play for a club that has an entry in good standing in the League.
- b) **LIFE MEMBER:** A member may be admitted to life membership on the recommendation of the executive board and approval by a vote of the general body.

## 3. APPLICATION FOR MEMBERSHIP

- a) Application for membership or reinstatement of teams shall be made in writing and signed by the team's sponsors, who must give in detail the particulars required therein. The team application shall be accompanied by the registration fee left with, or sent to the President by the executive board.

## 4. REJECTED APPLICATIONS AND SUSPENDED MEMBERS

- a) A Team whose application has been rejected or a member who has been expelled or suspended shall not be eligible for reinstatement without the approval of the executive.

## 5. EXPULSION OR SUSPENSION OF A TEAM OR MEMBER FOR CAUSE

- a) Any team or member may be expelled from the League who willfully violates any of the provisions of this Constitution and by-laws and any amendments thereto, or for disloyal utterances or acts, or disorderly conduct at any meeting or other function of the League, or maliciously making false accusations against any team or member or for conduct unbecoming a team or member which in any way may cause the League to be in disrepute.
- b) A charge against a team or member must be made in writing, signed by the plaintiff, and forwarded to the President of the League.
- c) On receipt of the complaint, the President shall investigate and may suspend such team or member and shall appoint a trial committee of not less than three members to try the charge, provided that the accused shall have the right to two peremptory challenges to members of the trial committee.
- d) The trial committee shall take all necessary steps to ensure a fair trial. The expulsion or suspension of a team or member may be confirmed only on a three-fifths vote of the executive board. The accused shall be given a summary of the evidence.
- e) The conviction of any team or member by a court of competent criminal jurisdiction for any offense committed at any League function may be accepted by the League as conclusive evidence without the need for a trial by the trial committee.

## **6. FREEDOM FROM CLAIM**

- a) A team or member who has resigned or was expelled or suspended from membership in the League, shall have no claims against the League or any of its officers.

## **7. OFFICERS**

- a) The Officers of the League shall be as follows: President, Treasurer, Statistician, Vice-President, and Recording Secretary.

## **8. DUTIES**

- a) **PRESIDENT:** They shall exercise careful control over all affairs of the League and ensure that the policy and regulations laid down in this Constitution are carried out. They shall supervise the business of the League and shall be ex-officio a member of all committees. They shall be one of the signatories of all cheques issued on behalf of the League. They shall have the deciding vote when there is an equal division on any question at all general or executive meetings. Should any member of the executive be unable to discharge their duties as herein set forth, they may appoint any competent member of the League to act in their place temporarily and while so acting, such member shall have all the powers and duties vested in that office.
- b) **TREASURER:** They shall have charge of and be responsible for all finances and shall maintain a general bank account for the League. They shall keep an accurate record of all receipts and disbursements and all funds received from any source and of the securities and property of the League. All entry fees, and dues, as well as funds raised through other activities, are to be deposited in the general account. They shall not withdraw any money from the bank nor make any disbursements of any nature except when authorized by the executive. They shall submit a financial statement at every delegate, executive, or general meeting. They may be bonded on an amount as may be determined by the executive board. In the absence of the above officer, they shall take the chair.

c) ***VICE-PRESIDENT***: They shall work to assist the President in promoting the League and assist the President in any way that is required. They shall promote the playing of darts within the League and shall endeavour to promote games to be played in all sportsmanship-like fashion in keeping with proper dart etiquette. They should consider the case of any sick or needy member when reported and shall be responsible for proposals to the executive to administer funds, visits to sick members, organization of suitable assistance at funerals of members, floral tributes, etc. The amount of assistance to be provided to any member is to be at the discretion of the executive.

d) ***STATISTICIAN***: They shall keep records of all League and play-off matches as well as an individual record of all the players. They shall furnish each team captain monthly with a summary of the League standings showing total games played, points won, and the names of the players holding high scores, etc. at the respective date.

e) ***RECORDING SECRETARY***: They shall keep minutes of all general, executive, and delegate meetings. They shall be responsible for the proper disposition of the minutes arising from all meetings. They shall be the custodian of the records of the League and shall conduct the correspondence of the League. They shall assist the President as and when required.

## **9. NOMINATIONS AND ELECTION OF OFFICERS**

Nominations and elections of officers shall be held every year on a date to be set by the executive. All members who wish to run for office and are unable to attend the nomination meeting may submit a letter to the President, stating that if they are nominated, they will stand for election. Anyone wishing to run for office must meet the following:

- a) ***PRESIDENT***: must have at least two years of active membership and one year on the executive board.
- b) ***TREASURER***: must have the same qualifications as the President.
- c) Candidates for any other office must have at least one year of membership in the League.

## **10. ELIGIBILITY FOR VOTING**

Active members in good standing shall be eligible to vote at all general meetings and elections.

## **11. REMOVAL FROM OFFICE FOR CAUSE**

Absence from three (3) general meetings, executive meetings, representative or committee meetings on the part of any member of the executive board without a satisfactory reason being given for such absence, shall result in a resolution and notification that his tenure of office has ceased and his position will be filled by an election or appointment by the President.

## **12. EXECUTIVE BOARD AND EXECUTIVE COUNCIL**

- a) The executive board shall consist of the League President, Statistician, Vice-President, Treasurer, and Recording Secretary.
- b) The executive council shall consist of the executive board together with one registered player from each team in the League.
- c) ***DUTIES OF THE EXECUTIVE BOARD***: to handle all general business of the League and to draft policy and any changes in the rules of play or regulations for submission to the executive

council, thence to the general meeting if necessary. They shall meet monthly or at any time if summoned by the President.

d) ***DUTIES OF THE EXECUTIVE COUNCIL:*** a meeting of the executive board and the executive council shall be held monthly as notified by the President. A special meeting of the executive council may be called by four (4) or more team captains. Notice of such meetings must be in the hands of the President in writing, ten days before the date of such meeting. No executive board member shall sit as a member of the board and vote as a team delegate. Such a member must take his place on the floor before the meeting is called to order and remain there to vote as a delegate.

### **13. QUORUM**

Three or more members shall constitute a quorum for the executive board meetings. Two-thirds or more shall constitute a quorum for executive council meetings.

### **14. FEES AND DUES**

Fees and dues shall be set by the executive board before the commencement of each playing season.

### **15. BANQUET**

A banquet and dance shall be held at the end of each playing season for all registered players, their spouses and friends, and any other persons authorized by the executive board.

### **16. HONORARIUMS**

Honorariums will be paid to members of the executive board commensurate with their duties. Such honorariums are to be set before the start of each playing season.

### **17. GENDER**

Where ever reference is made to the masculine gender throughout the *Constitution* or the *Rules of Play*, it shall apply equally to the feminine gender.
