**130+:** Scoring 130 to 169 in any "01" game / **170+:** Scoring 170 to 177 in any "01" game / **180:** Scoring a 180 in a "01" game / **101+F:** Finishing a score of 101 or higher in a "01" game / **CKT:** Hitting any combination of triples and double bulls, or five bulls in Cricket (all triples and bulls must be counted in the score to be awarded an All-Star) / **Note:** All-stars that count as more than one type should score as both. A 170 double-out is worth four All-Stars for example (two points for the 170 scored and two points for the 101 plus finish); whereas a 130 double-out is worth three All-Stars (one point for the 130 scored and two points for the 101 plus finish).
